Dear Deputy Commissioner Margaret A. Focarino:

A formal request for status on the above-referenced application was filed on November 5, 2004.

Because we did not receive a timely response to our status request, we further filed a Communication to SPE Vincent Millin on January 27, 2005 requesting his assistance in obtaining a response to our status request.

Because we did not receive a timely response to our Communication to SPE Vincent Millin, we further filed a Communication to Group Director John Love on March 11, 2005 requesting his assistance in obtaining a response to our status request. A courtesy copy of this Communication is attached.

We still have not received a response to our original status request filed on November 5, 2004, nor have we received a response to either the follow on Communication to SPE Vincent Millin filed on January 27, 2005, or the follow on Communication to Group Director John Love filed on March 11, 2005.

Accordingly, we would appreciate your assistance in obtaining a prompt reply to our request for a status of the above-reference application.
